Government Order No. 2200-50—Edn. 42-17-39, dated 29th August 1917, approving among other things of the draft rules for the award of scholarships to the students of Backward and Depressed Classes.

2. Letter No. S1-3820-134 of 33-34, dated 7th April 1934, from the Director of Public Instruction, recommending in the circumstances mentioned that "Pichara" community may be included among "Depressed Classes."

**ORDER NO. E. 3410—EDN. 309-33-2, DATED BANGALORE,
THE 2ND MAY 1934.**

The Director of Public Instruction states that the President, District Board, Chitaldrug, has recommended on a resolution of the School Board, to give free clothing to the pupils of the "Pichara" Primary School, Duggavara, Chellakere Taluk, that the "Pichara" Community in the Chitaldrug District might be included among the Depressed classes, as they are most backward in education and are very small in number and are extremely poor, practically owning no property and that a separate provision might be made for the free supply of clothing to the pupils of this community as in the case of Depressed Class pupils. The Director of Public Instruction recommends that the "Pichara" community may be included among the Depressed Classes and made eligible to the privileges enjoyed by the Depressed Class students in respect of their education, and that the clothing awardable to the Depressed Class students may also be shared by the students of this community in proportion to its population in schools and that no separate provision need be made on this account. The recommendation of the Director is approved.
